

Cover Page for AB 965 – Batched Wireless Applications

1052 South Livermore Avenue
Livermore, CA
(925) 960-4140

INSTRUCTIONS:

Applicants intending to submit batched wireless applications pursuant to California Government Code 65964.3 (AB 965) must submit this AB 965 Application Cover Page, together with all required information and materials in each Application submission. An application may be deemed incomplete if the applicant fails to include all required information and materials.

*This cover sheet does not apply for wireless application modifications under Section 6409(a) Eligible Facilities Request.

Batched applications are accepted by appointment only on Mondays and Tuesdays between 9:00 am to 12:00 pm (Pacific Time). Please contact the Planning Division at 925-960-4450 for an appointment.

Batched Application Requirements:

Number of Wireless Applications in the Batch: _____

Applicants may submit one (1) AB 965 batched wireless application per appointment, inasmuch as the population of City of Livermore exceeds 50,000, a single AB 965 batched application may contain up to fifty (50) individual AB 965-qualified site applications.

Photo Simulations: For each AB 965 batched wireless application submittal, the photo simulations required for each site application must also be combined into one (1) master PDF document with each location identified on each of the photo simulations and submitted along with all of the batched applications.

Batch Locations: For each AB 965 batch must contain a separate exhibit (labeled "Batch Locations") that contains (a) the address of each site; (b) the latitude and longitude (WGS 84) of each site; (c) pole identification number, if applicable; (d) the pole type, if applicable; (e) the Applicant's site number/name.

Each wireless application within an AB 965 batch must individually meet all the requirements for a complete application that includes, without limitation, the payment of individual wireless application fees for each application the batch.

For each Batch:

- If any SWF application is incomplete the entire batch shall be deemed incomplete, unless otherwise agreed upon between the City and the applicant.
- If any SWF application is withdrawn or deemed withdrawn the entire batch shall be deemed withdrawn unless otherwise agreed-upon between the City and the applicant.
- If any SWF application requires a tolling agreement, the tolling agreement must cover the entire batch, unless otherwise agreed-upon between the City and the applicant.
